GEM & JEWELRY SERVICES

SGS Laboratory

Reports are carefully designed to fulfill the needs of our clients according to the role in the market : jewelry seller, end user or trader. We provide "Gem Verbal Evidence" in reasonable price range for those who are unsure of the stone being natural or synthetic. After being notified of authentication of natural stone of expensive-gem quality, you can use Gem Verbal Evidence as a 20 % discount coupon to have it upgraded to Gem Dossier in order to give it to your clients to ensure their trust on your products.

Duplicate is available upon request. From 2013 onwards, all types of report can be verified through SGS Gem Laboratory website.
